Domains available as of 1/6/2007

1. [WWW.DISTRICT-24.ORG](http://WWW.DISTRICT-24.ORG)
2. [WWW.DISTRICT24AA.ORG](http://WWW.DISTRICT24AA.ORG)
3. [WWW.DISTRICT24AREA36.ORG](http://WWW.DISTRICT24AREA36.ORG)

Purchase costs:

\$6.99/year through [WWW.1AND1.COM](http://WWW.1AND1.COM) (suggest 2 year minimum) includes:

- Private Registration (keeps personal contact info secure)
- 5 Sub Pages, Should we need to go over the allotted size, I can host the site personally. However, when the site is handed over to the next member, hosting options would need to be considered.
- 5 E-mail addresses w/2GB storage (Phishing Filter would prevent random spams from would-be data miners.

Three points the District must conclude on:

1. Does the district want to pay for the site through its checking account or would they prefer to reimburse the costs? Paying by checking account puts district as owner rather than myself. However, this can be changed at any given time. I'm OK with putting my name on it for now.
2. Who should the primary contact be? IE Districts PO Box and Primary phone number?
3. When would the district like the domain purchased and work to begin?

Thanks Karl!
