The Corrections Committee of Area 36, Southern Minnesota Alcoholics Anonymous, has a program in place to help soon-to-be-released inmates "bridge the gap" between AA in prison and AA on the outside. The program is called the "Correctional Facilities Contact Program" (CFCP), and is implemented in conjunction with the Minneapolis Intergroup Association. CFCP is in great need of responsible AA members who are willing to respond to an inmate's request for an AA contact, and to introduce them to AA meetings upon their release. These AA volunteers provide their name and address to a private data base (*AA eyes only)*. They are asked to write to, and eventually meet a same-gender inmate who is being released into their community or neighborhood. Volunteers who do not wish to share their home address with inmates may use the Minneapolis Intergroup office as a return address; the inmate's letter will be forwarded to them. A PO box or volunteer's business address can also be used.

If you would like to volunteer to help "the hand of AA always to be there" for folks who wish to share our recovery in the fellowship of AA, please complete the form below. You may mail it to the Minneapolis Intergroup office or fax it to: 612-605-0164. Thank you!
