

From the desk of the DCM

Election time is here and I am looking forward to the process of choosing new leaders. We have Scott A who will be facilitating the election and it will be done out of the Service Manual. We will need some non-voting members to help out with the election to pick up and count votes.

With this in mind; we will also need to fill the committee chairs. This is an opportunity for service that can get our message out to different areas of the community and inform people that we are here and what we are all about. This is also a good opportunity to inform the groups that are not currently involved with the district what we are all about. This is a good way to carry out our primary purpose which is to carry our message to the Alcoholic who still suffers.

I will remind everyone who may be interested in working on one of the committees that there is an Area Committee Meeting in Mankato on December 13th. This would be a good place to go to obtain information regarding what a committee does and what the committee process is all about.

We have made very good progress regarding the 4th Step Workshop.:

Date	11-15-08
Place	Unity of the Valley Spiritual Center
Menu	Chili
Host Group	Savage Unity AA Group
Panelist	Julie Coleman, Shelly Guenther, and Willard Korges
Program	Sean is working on this as he is chairing the Workshop
Flyer	Karen Rebecca is putting the flyer together.

We are still in need of volunteers to help Sean with the program and to come up with questions for the panel.

My thanks to the committee for putting this all together.

Yours in Service
Frank Brumm
