

DISTRICT 24 WEBSITE 5/5/2008

www.district24aa.org has proven to be too large of a site to manage as a single file site. As the result, the site is being broken down into three categories (sub-domains) and the main site itself for a total of four separate websites. The sites will be linked together in a way that users should not notice a difference. The sub-domains are as follows:

- www.speakertapes.district24aa.org – Includes all speaker tape downloads
- www.meetings.district24aa.org – Includes all meeting listings w/direction links
- www.bigbook.district24aa.org – Reserved for Big Book Quote of The Day
- www.district24aa.org – Master Site with District 24 information

All of the above sites may be found the same way users have been using the included pages. Users may also type the web addresses directly into their web browser to go directly to the site.

- Added site features:
 - Big Book Quote of The Day – found on Home Page or www.bigbook.district24aa.org.
 - Big Book QOTD daily Email to registered users inbox.
 - On the Big Book QOTD page users must enter their email address into a secured CGI form to sign up for the Big Book QOTD daily Email.
 - We currently have 24 registered Email's.
- Area 36 Linking:
 - Area 36 Website Chair was contacted on Tuesday, April 8th to request to have www.district24aa.org linked from the Area 36 website. Area 36 confirmed they received the message and would put the link up. As of 5/4 we were not linked with Area 36.
- Upcoming Events Page:
 - A request by the DCM to have a Calendar of Events Page in lieu of an Activities Chair must be discussed.
 - Website Chair needs assistance in having accurate AA related calendar events collected and sent to www.webmaster@district24aa.org.
- Website Statistics:
 - 26,088 hits for the month of April
 - 765MB's of speaker tapes were downloaded in the month of April.
 - 3.4GB of speaker tapes were streamed.
